

1 Our Mission and Our Values

The Rabobank AS.'s mission is to serve the economic needs of our stakeholders. The manner in which we seek to fulfil this mission is encapsulated in four core values: respect, integrity, professionalism and sustainability. These values essentially form the preconditions for our actions. The core values are included in the Code of Conduct that is endorsed by the entire staff.

Respect

The Rabobank AS. works together on the basis of respect, appreciation and involvement.

Integrity

The Rabobank AS. seeks to be honest, sincere, prudent and reliable in all its actions.

Professionalism

The Rabobank AS. serves its customers through the provision of high-quality knowledge and facilities. Its aim is to maintain high standards of quality – whenever possible by anticipating customers' future needs – and to make its services available in an efficient manner.

Sustainability

The Rabobank AS. aims to contribute to the sustainable development of society in an economic, social and ecological sense.

2 Vision and Strategy

The Rabobank AS. is a deposit bank with a steady strategy. This strategy is built on two pillars. While aiming to be the preferred bank of the corporate entities active in the food & agriculture business in Turkey, the Rabobank AS., by serving the global clients of Rabobank Group, wants to have a significant role in Rabobank Group's achieving its strategic targets. These two ambitions are expressly underscored in line with Rabobank Group's strategic framework that was adopted at the end of 2012.

The Rabobank AS. aims at contributing the reel economy by serving to the both private and public sector. Our employees, at every level of the, obviously play a key role in this endeavor. Being nearby the customers, our Bank is focused on sustainable development.
